1664 North Virginia Street

to ensure that employers have actually taken the action asserted in their letters. Finally, any action taken by you in this matter will not automatically remove your workplace from the possibility of an unannounced inspection by duly authorized representatives of OSHA in accordance with routine scheduling procedures currently in effect.

In addition to its function of inspecting workplaces, the OSHA District Offices has been expanded to become full-service resource center, offering a wide range of safety and health related services in response to the needs of the working public, both employers and employees. These services include training and education, consultation, voluntary compliance programs and assistance in correcting hazards.

The State of Nevada offers consultation services, without charge, to assist in resolving all occupational safety and health issues. However, the variety of services available or the scheduling of those services may be limited by the consultation project's requirement to give priority to small businesses in high hazard industries and by its backlog. To discuss or request the services, contact the contact the Safety Consultation and Training Section at www.4safenv.state.nv.us/ or by phone to the appropriate office based
