

# Movie Policy

*This policy is intended for individuals or organizations wishing to show a film or TV show in any format (including streaming, DVD, or any other format) publicly. When you want to show a film in the Joe Crowley Student Union or the University campus-proper, you will be asked to provide proof that you have obtained permission (the "rights") to show the material. This handout is designed to help you understand why this is necessary, and how you can go about getting the permission you need.*

Why does my organization need to get permission to show this film?
